

Activity 1

Birthday Balloons

Danny is blowing up balloons.

What is Danny doing?

The balloons are for a party.

What are the balloons for?

It is Danny's birthday.

Whose birthday is it?

Danny will give a balloon to each of his friends.

What will Danny do with the balloons?

Language Expansion Activities

1. Danny is a little boy. Are you little or big?
2. Would you like to color Danny's clothes? Can you name what he is wearing?
3. His balloons are all different colors. Look at the balloon he is holding. Color it yellow.
4. The balloons are round. They make a circle. Can you trace one of the balloons with your crayon before you color it?
5. Can you make one balloon red and another one blue?
6. Can you count the balloons on the ground? Now count the balloons in the air. How many balloons do you see?
