ACTIVITY 2D: Analyze the Situation

Instructions: Think about each of these situations. Then answer the questions that follow.

In the story, Chelsea, Joshua, and Snowflake played and got along very well. They cooperated and created beautiful snow castles by working together. They were proud of their work.

1. What happened because of the hard work of Chelsea, Joshua, and Snowflake?

2. Would they have been able to create the same beautiful snow castles if they didn't work together?

3. What made them proud of their work?

When Fireball came and started causing problems by melting the beautiful snow castles, the three friends were sad and confused. They wondered why Fireball was so mean and what they could do to stop him from ruining their fun.

4. Why were the three friends sad and confused?

5. Why do you think Fireball acted mean?

6. What things could be done to stop Fireball from being mean?

Chelsea, Joshua, and Snowflake knew they had to come up with a plan to stop Fireball from being mean to them. Snowflake had a plan. Everyone was willing to help and they began to get organized.

7. Why would everyone need to follow the plan?
