

STORY 24 RICKY PUTS HIS FOOT IN HIS MOUTH

Ricky really put his foot in his mouth after dinner when he told his girlfriend, Laura, that she had finally learned to cook a decent meal. He didn't know that the meal had actually been prepared by a local restaurant.

Laura wasn't going to let sleeping dogs lie. Here was her chance to get back at Ricky for all the mean comments he had made about her cooking.

Laura decided to fix his wagon. She went into the kitchen, prepared his favorite dessert, and then dumped it on his lap.
